*The Paint & Powder Club, Inc. was established in 1893 by a group of Baltimore's young society men. These gentlemen with their social, cultural and business connections formed this club for the purpose of having fun while raising money for charitable organizations. The early shows were original in music, costumes, scripts and feature local talent. Local talent was and is spotlighted. Members participate in many year-round social functions. After 100 years the club voted to accept women as members. This club has raised hundreds of thousands of dollars for not-for-profit organization and it is the only club of its kind that has continued in operation for over 125 years.*
